FAWCO Alumnae USA, Inc.

FAUSA, Inc. - FAWCO Alumnae USA - is a vibrant and growing network of women who share a common experience of living abroad.

If you're just returning from living abroad ...

WELCOME HOME!

If you've already repatriated and looking to reconnect with the international experiences you've had in the past ...

WELCOME BACK!

Why Join FAUSA?

Americans who have lived outside the country see the world through different eyes from those who haven't had that opportunity.

Remember that when it is time to come home, or if you have been back many years ... **YOU HAVE A FRIEND IN FAUSA!**

Be understood. FAUSA is a network of women throughout the country who share your experience of having lived outside our borders. They know what you may be experiencing upon returning.

Stay connected or reconnect. Membership is the perfect way to stay connected or to reconnect to that important international side of your life and with the friends you made overseas.

Meet and greet. FAUSA has its Annual **Meeting** in the fall in a different part of the United States. Members may also participate in FAWCO activities, including the annual **FAWCO Conference**.

Give back. FAUSA has a **Charity Fund**, through which it contributes to small projects in the Americas. In addition, an **Education Award** is given each year to a member, or a member's child or grandchild.
